- **Economic Recovery**
- **Climat change**

se2009.eu

## **SE Presidency priorities**

**“ It’s important to get out of the crisis – but it is equally important to get out in the right direction.....”**

**A *contribution* to a European plan for innovation**

se2009.eu

## **SE Presidency priorities**

**“Europe must continue to invest in its future. That is the price of its future prosperity. The European Council calls for the launching of a European plan for innovation, combined with the development of the European Research Area and with reflection on the future of the Lisbon Strategy beyond 2010.....”**

**EC 12 12 2008**
